DR. EWALD SCHMON  
SATA GMBH & CO KG  
DOMERTALSTRASSE 20  
KORNWESTHEIM, GERMANY 70806

**APPROVAL  
FOR THE SALE AND OPERATORS THE USE OF SATAJET 5000 B RP AND  
SATAJET B RP DIGITAL SPRAY GUNS IN LIEU OF HVLP SPRAY EQUIPMENT**

The San Diego County Air Pollution Control District (SDAPCD) has approved the SATAJet 5000 B RP and SATAJet 5000 B RP Digital spray guns for sale and users to operate in lieu of high-volume low-pressure spray equipment in areas under SDAPCD jurisdiction.

This letter shall serve as written authorization from the SDAPCD that use of the SATAJet 5000 B RP and SATAJet 5000 B RP Digital spray guns are approved for operations subject to District Rule 67.3 Metal Parts and Products Coating Operations and 67.20.1 Motor Vehicle and Mobile Equipment Coating Operations. Compliance with the following conditions is required to operate the SATAJet 5000 B RP and SATAJet 5000 B RP Digital spray guns.

1. SATA GmbH & Co. KG shall supply a copy of this letter with each SATAJet 5000 B RP and SATAJet 5000 B RP Digital spray guns sold or distributed within San Diego County. The gun is approved for purposes of applying automotive coatings, and surface coatings of metal parts and products, only.
2. This approval is only valid for the SATA spray guns with the designated air cap if the air pressure supplied is equal to or less than that stated for each spray gun below:

<b>Spray Gun</b>	<b>Operated at equal to or lesser pressure</b>
SATAJet 5000 B RP	30 PSIG
SATAJet 5000 B RP digital	30 PSIG

3. SATA GmbH & Co. KG shall clearly mark the spray guns specifying the designated air caps and the inlet air operating pressures as listed in condition number 2.

If you have any questions regarding this approval, please contact Joseph Herzig at (858) 586-2713.
