Subject: Approval of SATAminijet 4400 B RP Spray Guns

Dear Susanne Walters:

Based on the attached letter dated October 16, 2015 from the South Coast Air Quality Management District (SCAQMD), the SATAminijet 4400 B RP Spray Guns are approved for use in Placer County for automotive refinishing. The spray guns must meet the conditions 2 thorough 7 identified in the SCAQMD letter including limiting maximum air pressure supplied to the gun to not exceed 35 pounds (PSIG).

Please contact Bruce Springsteen at (530) 745-2337 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "John Finnell".

John Finnell
Manager of Engineering and Permitting
